- **Fund Balance:** The end-of-year tax fund balance or “rainy day fund” grows from \$119 million in the original FY2022 budget to \$142 million in the mid-year budget amendment. This amount would cover recurring expenditures for 2.2 months, which exceeds the administration’s goal of maintaining two months of reserves.
- Overall, the FY2022 mid-year operating budget increases from \$1.531 billion in the original FY2022 budget to \$1.580 billion, an increase of \$39.5 million or 2.6%.

- **Elections:** \$4.4 million added to fund twelve new full-time positions, increased temporary staffing, professional services, voting equipment, technology enhancements, and training and outreach efforts.
- **State Court Security:** The mid-year budget amendment transitions the responsibility for providing security to State Court and Magistrate Court from the Sheriff's Office to the Marshal's Office. The Marshal's Office cost center within State Court's General Fund budget will increase \$1.9 million, which is partially offset by a reduction of \$568,713 in the Sheriff budget.
- **IT:** \$2.2 million added for hardware and software improvements and additional staffing support.

# FY22 Mid-Year Adjustments

- **Public Works – Roads & Drainage:** The recommended funding for Roads & Drainage includes \$4.0 million to cover increased costs for contracted services and materials and \$500,000 for a traffic sign maintenance project.
- **Public Works – Transportation:** \$2.0 million to cover potential electricity overruns in the Street Light Fund and \$493,607 for street light repairs along Candler Road, Memorial Drive, and Buford Highway
- **Facilities Management:** \$1.7 million in new funding for Facilities Management, including \$500,000 for ongoing maintenance and repair at 178 Sams Street, a \$500,000 reserve for contingencies, and \$350,000 for an emergency generator for the Maloof Building.
- **Recreation, Parks, and Cultural Affairs:** \$1.9 million including \$531,632 for additional personal services and staffing, \$450,000 for increased electricity costs, \$350,000 for security cameras at park locations, and other operational funding.
