ITEMS FOR DISCUSSION

A) Director's Report

Director Smith presented a calendar of events for the department. She discussed the potential effect of a court ruling regarding the Public Service Commission.

Ms. Motter commented that the calendar would help the public understand all of the work done by the department between elections and also noted that there were many other things that were not included on the calendar.

Ms. Swift asked if the potential changes would affect the election. The Director responded that there would be adequate time to conduct Logic and Accuracy testing.

Chair Lowman Smith added that this issue affected every county in the state.

Director Smith presented a slide outlining her request to the Ops Committee for four million dollars. The largest portion covered seasonal workers such as poll officers. Twelve full time employees were also covered, as well as contracted services such as public relations and translation. The last category covered operating expenses such as an election management software package. The Director announced that the Ops Committee had approved the request and that it would next be voted on by the Board of Commissioners.

Ms. Motter asked when the vote would be held. The Director responded that according to her understanding, it would be next week. Ms. Motter noted that this funding could pay for items that many in the public had requested such as early voting locations.

Director Smith presented a document outlining the department's internal canvass and audit procedures, covering an internal review of each election's paperwork and public procedures such as the risk-limiting audit.

B) Commissioner's Comments

Commissioner Mereda Davis Johnson thanked the Director for her budget request and thanked the Board of Commissioners for passing it.

ITEMS FOR DECISION

A) Facility Use Agreement for Polling Precincts

Click here to view BRE meetings: [Video On Demand | DeKalb County, GA \(dekalbcountyga.gov\)](#)

Director Smith presented a draft agreement for use with polling places and asked the board to authorize her to sign the agreements.

Ms. Motter asked if language needed to be added relating to the installation of absentee ballot drop boxes.

Motion by Ms. Swift to approve Director Smith's ability to sign such agreements in a form approved by the County Attorney in an amount not to exceed \$80,000 subject to the modifications recommended by Ms. Motter. The motion was seconded by Ms. Motter.

Mr. Lewis asked if the contract could be modified to guarantee the manager's ability to return to the polling place on election night if necessary. Ms. Vander Els and Director Smith responded that the contract allowed the department to return to the facility, but the language could be made more specific if necessary.

The motion carried unanimously.

B) Polling Place Changes

Director Smith presented a list of fourteen changes to election day polling locations. In response to public comments about the location of the Chamblee/Chamblee 2 location, she noted that it was merely returning to its permanent location following a temporary change for the general primary.

Ms. Swift agreed with public comments that elections should not be held in a police station or a courthouse. She asked how long Chamblee/Chamblee 2 had been located at the Public Safety building and if it could be moved elsewhere. The Director responded that it had been moved in 2021 and that other locations such as Core 4 had been considered, but so far had not responded.

Ms. Motter echoed Ms. Swift's comments. She also mentioned the existence of an article which had cited the names of the affected precincts inaccurately and asked the Director to consider including the precinct IDs of precincts along with their names when citing them in notices. She also asked the press to be careful with precinct names and consider relying on the information provided by the Director at meetings.

Chair Lowman Smith asked why voting had been moved from the Chamblee Civic Center. The Director responded that there had been renovations.

The Chair stated that a consensus appeared to be growing to change the Chamblee location. She asked if that would affect the election timeline. Ms. Vander Els responded that there would be time to approve a new location before the next standing meeting.

Vice-Chair Jester commented that she preferred to describe the board's opinion as a "majority" rather than a "consensus" and that she had no objection to Chamblee's location.

Motion by Vice-Chair Jester, seconded by Mr. Lewis, to approve the list of polling place changes.

Mr. Lewis stated that he had no objection to the Chamblee location. He preferred to approve the list as given and consider any possible changes later.

Ms. Swift was concerned that if the Chamblee location were approved, it would prevent the department from looking for alternative locations. Ms. Vander Els responded that there would be no legal prohibition against making another change under those circumstances. Director Smith responded that the department was willing to investigate alternative locations.

Ms. Swift offered a substitute motion to approve all of the polling place changes except for the location of Chamblee/Chamblee 2. The motion was seconded by Ms. Motter. The motion carried by a vote of 3-2. Chair Lowman Smith, Ms. Motter, and Ms. Swift voted aye. Vice-Chair Jester and Mr. Lewis voted nay.

C) Advance Voting

Director Smith presented a map of the confirmed advance voting locations. She noted that additional locations in Stonecrest and at the Wade Walker YMCA were being considered.

Ms. Swift moved to approve the proposed advance voting times and locations. The motion was seconded by Ms. Motter.

Ms. Swift asked the Director to confirm that at least two more locations had been budgeted for. She suggested several other sites that might be available and asked how much it would cost to add additional sites. The Director responded that 15 sites had been budgeted for and that additional sites would cost an average of \$12,000 per site per week.

Ms. Swift asked if there was a site in the City of Clarkston. Director Smith responded that there was not. Ms. Swift asked if the department was forbidden from holding longer voting hours on weekends. The Director responded that it was not.

Ms. Swift asked if it would be better to wait until the list was finalized before voting.

Responding to a public comment, Ms. Motter asked Director Smith to explain how drop boxes are allocated. The Director responded that each county was allowed one drop box and an additional drop box per 100,000 registered voters.

Chair Lowman Smith asked if Director Smith had any suggestions about distribution and capacity for additional advance voting sites. The Director responded that she would have to move quickly with planning for any additional sites.

The Chair suggested that supplementary sites might be worth considering if they were close to public transportation even if they were not ideal in other ways.

Motion by Mr. Lewis, seconded by Vice-Chair Jester, to approve the advance voting locations presented. The motion carried 4-1, with Ms. Swift voting nay.

Motion by Mr. Lewis, seconded by Vice-Chair Jester, to approve the advance voting hours presented. The motion carried unanimously.

D) Voter Challenges Brought by Robert Smith: Determination of Probable Cause

Chair Lowman Smith announced that the board had received a list challenging the eligibility of 1,113 registrants to vote under O.C.G.A. §21-2-230. Under the advice of the County Attorney, the board's first step would be to determine if there was probable cause to proceed with a hearing.

Motion by Ms. Motter to reject the voter challenges due to the lack of probable cause. The motion was seconded by Ms. Swift.

Ms. Motter described the challenges as similar in some respects to others that had come before the board and asked the county attorneys to describe the process. Ms. Vander Els noted that the current challenge was made under O.C.G.A. §21-2-230 against the voters' eligibility to vote in the upcoming election, whereas the most recent challenges had been made against voters' registration under O.C.G.A.

Click here to view BRE meetings: [Video On Demand | DeKalb County, GA \(dekalbcountyga.gov\)](#)

§21-2-229. The procedure for these challenges would begin with a determination of probable cause for a hearing, which recent case law had concluded to mean more than reasonable suspicion, but not necessarily convincing proof. If the board found probable cause based on Mr. Smith's letter and spreadsheet, it would schedule hearings.

Ms. Motter commented that she had read the case mentioned by Ms. Vander Els and found it similar to the challenges before the board. Mr. Smith had provided a list but had not claimed any personal knowledge of the challenged voters; and that federal law likely superseded state law in this situation.

Mr. Lewis noted that in his letter, Mr. Smith had stated that the list had been created by canvassing a neighborhood and that in each case the current occupant had stated that the listed voter no longer lived there.

Ms. Swift responded that in her opinion this evidence did not rise to the level of probable cause without an affidavit from the occupant.

Ms. Motter described the evidence from the occupants by Mr. Smith as hearsay and reiterated that it did not satisfy the requirements of federal law.

The motion carried by a vote of 3-2. Chair Lowman Smith, Ms. Motter, and Ms. Swift voted aye. Vice-Chair Jester and Mr. Lewis voted nay.

BOARD COMMENTS

In response to a public comment, Mr. Lewis asked Director Smith to explain what happens if a voter on the inactive list applies for an absentee ballot. Director Smith responded that they will become active again.

Mr. Lewis thanked the staff for their hard work.

Ms. Motter echoed Mr. Lewis's thanks and also thanked the Ops Committee for approving the Director's four-million-dollar request.

Chair Lowman Smith agreed and stated that it would not be possible for the department to do its work in this new era without the support it had received.

ADJOURNMENT

Motion by Vice-Chair Jester, seconded by Mr. Lewis, to adjourn the meeting. The motion carried by a unanimous vote. The meeting was adjourned at 6:44 p.m.

APPROVAL OF AGENDA

Chair Lowman Smith called the meeting to order at 10:20 a.m. Mr. Catherwood read the roll by calling each board member by name. All members except Mr. Lewis were in attendance.

Motion by Vice-Chair Jester, seconded by Ms. Motter, to approve the agenda. The motion carried by a vote of 4-0.

PUBLIC COMMENTS

Mr. Catherwood read the rules for public comments. The following citizens provided public comment:

- Margaret Arnett
- Jane Mezoff
- Vivian Moore
- Sheryl Sterling

ITEMS FOR DECISION

A) Chamblee Election Day Location

Director Smith asked the board to defer this item.

Motion by Vice-Chair Jester, seconded by Ms. Motter, to defer the item to the board's next meeting.

The Director reported that the North DeKalb Senior Center was willing to serve as the Chamblee / Chamblee 2 polling location. The change would be published in the legal organ for two weeks and the board could vote on that location at its next meeting.

Click here to view BRE meetings: [Video On Demand | DeKalb County, GA \(dekalbcountyga.gov\)](https://www.dekalbcountyga.gov)

In response to a series of questions from the Vice-Chair, the Director reported that both Chamblee and Chamblee 2 were to have been housed at the Public Safety Building; that prior to their temporary move to Chamblee Library, they had been housed at the Public Safety Building for a year; and that to her knowledge, there had had not been any complaints about the location before the last meeting.

Ms. Motter asked for the precinct IDs of the two precincts in question. Mr. Catherwood responded that Chamblee is CE and Chamblee 2 is CZ.

Ms. Motter commented that when she visited the Public Safety Building, she had been concerned by the number of police cars in the parking lot, and that civil rights activists in the sixties had campaigned against such things.

Ms. Motter asked if there would need to be signs directing Chamblee voters to one part of the building and Chamblee 2 to another. Mr. Catherwood responded that the two precincts would vote in the same room on the same equipment.

The motion carried by a vote of 4-0.

B) Advance Voting Change

Director Smith asked to defer this item.

Motion by Ms. Swift, seconded by Ms. Motter, to defer the item.

Director Smith reported that discussions with sites were ongoing and that not all the intended sites had been confirmed. Sites in Stonecrest and the Wade Walker YMCA were being explored.

Ms. Swift referred to a list of sites she had proposed and asked how many sites were ultimately planned. The Director responded that had not seen Ms. Swift's list but that she intended to have between fifteen and twenty.

Ms. Swift asked about the timeline for finalizing the sites. The Director responded that the department would work to finalize the list before the September 9 meeting, which would meet the legal requirements.

Ms. Swift asked if notice had been published for the existing thirteen locations. The Director responded that they had not, but that advance voting locations did not need to be published in the legal organ.

Mr. Phillips amplified the Director's point, stating that election day locations needed to be published in the legal organ, whereas advance voting locations merely needed to be approved by the board at least two weeks in advance.

Vice-Chair Jester asked what sites were being considered beyond the fifteen already mentioned. Ms. Swift responded that there were at least three locations she would send to the department.

Chair Lowman Smith asked about the impact of expanding locations and hours on the department's staffing. The Director responded that ten staffers would be allocated to each site. In the future, the department could consider a model used by some other counties in which separate teams would work on alternate days. However, currently staffers work the entire election.

The Director also reported that staff was in discussions with the ACLU about a pop-up site. Deputy Director Henry added that the discussion so far involved three days of voting at Georgia State. Ms. Austin added that the Decatur Campus was the most likely site.

Ms. Motter raised the issue of drop box allocation. The Director responded that each county is allowed one drop box and an additional box per 100,000 active registered voters. She reported that the county has had six drop boxes and is working to maintain that level through registration activities.

The motion carried by a vote of 4-0.

C) Contracts

i. Integrated Communication Services

Director Smith requested approval and authorization to execute an agreement in a form approved by the County Attorney.

Motion by Ms. Swift to that effect. The motion was seconded by Vice-Chair Jester.

The Vice-Chair asked if this agreement was to restart the department's relationship with Erik Burton's firm. The Director responded that it was. The Vice-Chair asked if there had been any other bids. The Director responded that she was working with the Director of Procurement on a long-term strategy for this function. However, it was judged that in the short term only Mr. Burton's firm had the existing elections knowledge to begin work immediately.

Mr. Phillips stated that in the view of the Procurement Director, there was an emergency need for an expedited purchase due to the upcoming election.

The Vice-Chair asked how long the contract would last. The Director responded that it would expire in January. The Vice-Chair asked if there would be a competitive bid when this contract expired. The Director responded that there would, and that the department would also pursue hiring a public relations manager internally.

Ms. Motter stated for the public that the contract language had been published with the agenda materials on the department's website and that the exact expiration date of the contract was January 22, 2023.

Ms. Motter mentioned an incorrect address in the contract. Mr. Phillips responded that details of that type could be corrected as part of the County Attorney's approval process given in the motion.

Chair Lowman Smith commented on the difficulty of hiring this type of service and hoped the board could discuss how to maintain continuity in this area without violating procurement guidelines.

The motion carried by a vote of 4-0.

ii. Election Management System

Director Smith requested approval and authorization to execute an agreement with one of two vendors in a form approved by the County Attorney.

Motion by Ms. Swift to that effect. The motion was seconded by Vice-Chair Jester.

Ms. Swift asked if there would be a presentation on the vendors beyond the items in the agenda materials. The Director responded that none was planned.

Ms. Swift asked if the agreement could wait until the next meeting. The Director responded next meeting would be too late for this election. She stated this was part of the department's effort to identify systems to mitigate manual errors. There had been five vendors considered, and the two

given had been identified over the course of several meetings and with input from the IT Department.

Ms. Swift asked if the Law Department had reviewed the documents. Mr. Phillips responded that a member of the Law Department had done so, but that he had not seen what changes had been recommended, if any.

Ms. Swift asked about two provisions in one document involving confidentiality and Virginia law. Mr. Phillips responded that provisions of that type would be flagged by the Law Department prior to approval due to the necessity of complying with Georgia election law and open records requirements.

Vice-Chair Jester asked if open records requirements would prevail regardless of the terms of any contract. Mr. Phillips responded that they would. A vendor's only option would be to obtain an order from a Georgia court releasing the department from open records requirements.

The Vice-Chair thanked the Director for bringing this request to the board and asked for more information about future procurements, including when they had been advertised, a complete list of vendors who responded, and a rubric listing what criteria were used to judge the responses including the weights given to each criterion.

The Director responded that in this case, the department had not had the funds to pursue this project earlier and in fact still did not have final approval for the funds in the mid-year budget. Given the timing of the request relative to the election, this procurement had also been pursued on an emergency basis. However, she could provide a list of vendors who had been considered and the criteria that had been expected.

Ms. Motter asked for a side-by-side comparison of the vendors including various important features. She asked if the Director preferred one of the two options. The Director responded that there were differing opinions in the department, but that the two systems were similar.

Ms. Motter asked if the board was being asked to choose which option would be selected. After a discussion, Vice-Chair Jester offered a friendly amendment to clarify that the board would authorize the Director to select one of the two options given. Ms. Swift accepted the amendment.

The motion carried by a vote of 4-0.

Motion by Vice-Chair Jester, seconded by Ms. Motter, to recess for five minutes in preparation for the facilitated discussion. The motion carried by a vote of 4-0.

FACILITATED DISCUSSION: STRATEGIC PLANNING

Motion by Ms. Swift, seconded by Vice-Chair Jester, to resume the meeting. The motion carried by a vote of 4-0.

For the remainder of the meeting Andrew Wells facilitated a discussion of the department's strategic objectives. Mr. Wells addressed the board's vision, values, and mission, followed by inspiration and implementation of the beginnings of a strategic plan.

ADJOURNMENT

Motion by Ms. Swift, seconded by Vice-Chair Jester, to adjourn the meeting. The motion carried by a vote of 4-0. The meeting was adjourned at 3:25 p.m.
