Welcome!

Happy New Year, and welcome to the January 2024 CV360-Phase II Newsletter! We hope you had a wonderful Holiday Season and are ready for an amazing 2024. See below to view what's in store this month:

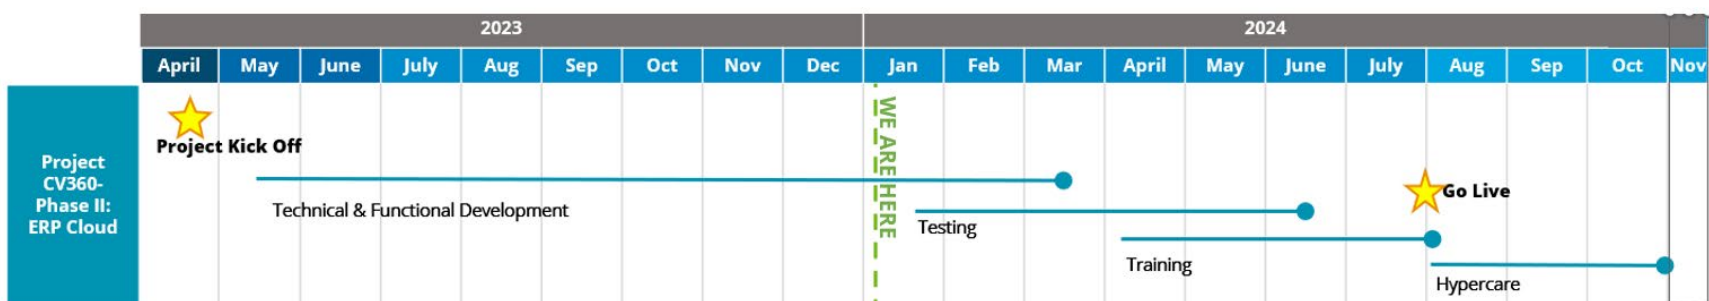

- **What's New with CV360-Phase II?**
- **Precipitator Program Highlights & Training Needs Assessment**
- **CV360-Phase II Holiday Flyer Challenge**
- **Leadership Spotlight: Deborah Sherman**
- **New Year Flyer & CV360 FINANCIALS Website Reminder**
- **Thank You**

What's New with CV360-Phase II?

In December, the project closed out the initial development process. While system development is still underway to continue refining CV360, the first iteration of CV360-Phase II testing, System Integration Testing (SIT1), starts later this month. Additional testing iterations will follow, including another round of SIT and User Acceptance Testing (UAT).

The project team is undergoing Conversions, which is the process for confirming how all the relevant data from the current FMIS will be transferred to the new FMIS. This project's Conversion process is a multi-step approach that takes DeKalb County's specific business needs into account for a smooth transition between systems. Over the next few months, we'll begin to share helpful Conversion-related information within this newsletter.

Check out the CV360-Phase II timeline below to see how the CV360-Phase II project team is tracking for a timely Summer 2024 delivery.

Precipitator Program Highlights & Training Needs Assessment

Your CV360-Phase II Precipitators have been sharing **your** feedback so we can best prepare you for CV360-Phase II!

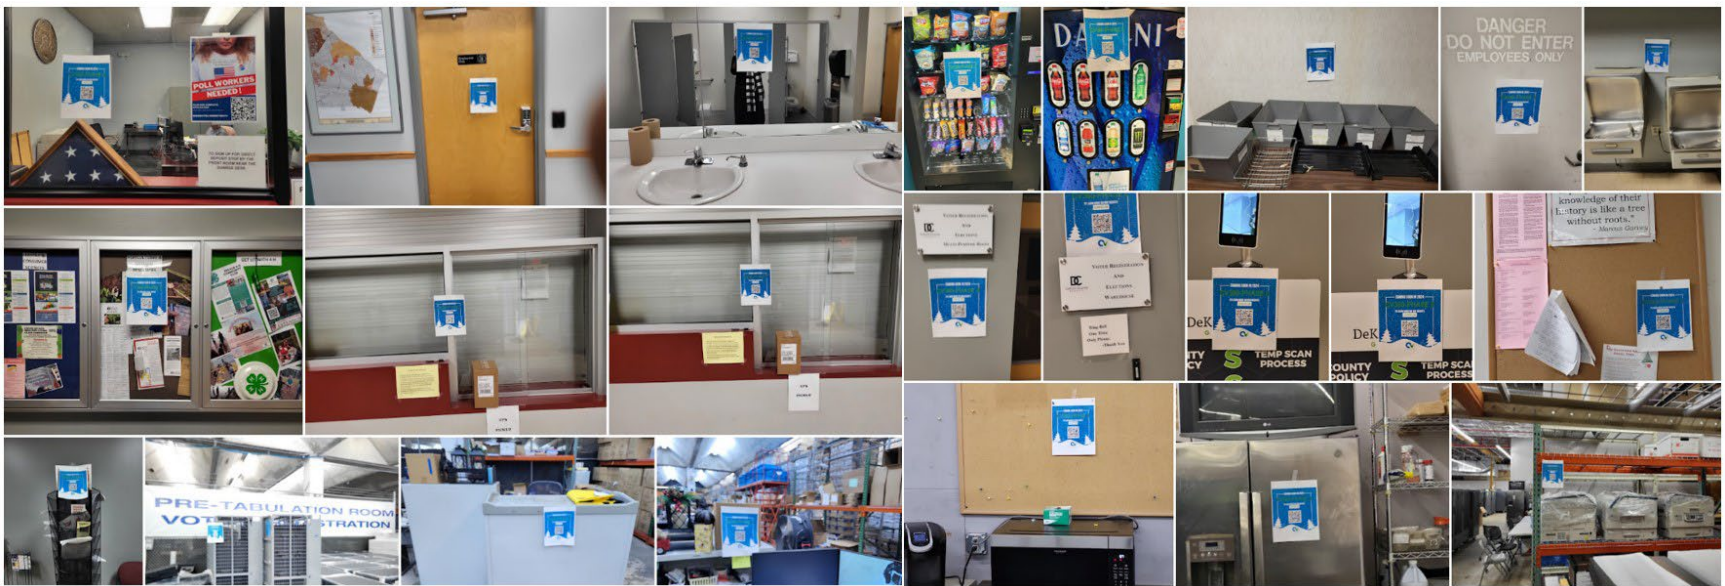

Currently, Precipitators are focused on helping the CV360-Phase II Project Team understand how to best curate CV360-Phase II Training via the Training Needs Assessment. Through the Assessment, Precipitators have provided our team with detailed employee training needs and experiences, so that we can have a successful CV360-Phase II launch.

As a friendly reminder: Precipitators are DeKalb County employees' first point of contact for any CV360-Phase II questions. They are excited to help you, so if you have any CV360-Phase II inquiries, please reach out to your Department's respective Precipitator(s). Precipitators are listed below.

Department	Board of Commissioners-Central Staff	CEO's Office	Community Development	District Attorney	Facilities Management (FM)	Finance	Fire & Rescue Services	Human Resources (HR)	Human Services	Information Technology (IT)	Juvenile Court

CV360-Phase II Holiday Flyer Challenge

In December, we hosted a Holiday Challenge for the CV360 Precipitators to share and spread the word about CV360-Phase II by posting a Holiday Flyer around their Department offices and via email. We would like to congratulate the Holiday Challenge winner, **C. Jean Wingo** from Voter Registration & Elections for going above and beyond to spread the word about the project. Take a look at the pictures below and the involvement of our Departments to make this project a success!

Leadership Spotlight: Deborah Sherman, Assistant Director Grants & Compliance

Deborah Sherman, Assistant Director Grants & Compliance

How long you have been with DeKalb County?

I have been with the county for 26 years.

What are your responsibilities?

I am responsible for managing and monitoring the teams in my department and in other departments for Compliance for all Grants & Capitals including SPLOST, and all of the Enterprise fund Capitals.

What is a career highlight you are proud of?

I am proud that I applied for over \$300 million of COVID funding for the County.

What has been your involvement in the CV360 Project, and what do you hope to accomplish during this implementation?

I see great changes for how we do things especially in the PNG module. I am also excited about this being my second implementation, as I was really involved with Oracle

implementation in 2004. All of the Capital and Grants team have to attend all trainings, this includes me, so we can all be proficient in CV360.

New Year Flyer & CV360 FINANCIALS Website Reminder

Have you seen our CV360-Phase II New Year Flyer yet? Check it out!

Over the next few months, you will see additional information about CV360-Phase II. Scan the QR code in the flyer below to visit the **CV360 FINANCIALS website** for regular project updates. Feel free to **share and post** this flyer around your department to help us spread the word!
